

Fishing4Answers

WWF Youth Exchange 2016

Join us and spend 10 days of your summer on an island in Croatia!

Are you a motivated young adult, between 15-25 years old, who wants to get active for sustainable fishing and marine protection?

Then join our international youth exchange:
“**Fishing for answers**” - *Connecting with our oceans: sustainability, global fisheries, and the people who depend upon them.*

Apply now!

When? 25 August - 3 September 2016

Where? Dugi Otok, Croatia

What to expect?

- Exciting workshops about sustainable fishing, global connections, marine protection, etc.
- Walking and boat tours
- Visit Marine Protected Areas and local fish farms
- Spend a lot of time outside and at the sea side

Find all information and the application form here:
www.wwf.at/fishing4answers2016

Deadline for applications: 1 April 2016

The funding for this youth exchange has not yet been secured.
